HOOK & LOOP DISCS

Our hook and loop (Velcro) sanding discs are made with industrial grade steared aluminum oxide paper. Engineered for top performance with all popular tools. Available in all of the popular grits, and with three vacuum hole styles.

Sizes listed below are prices for **5" and 6" discs**.

7" and 8" discs can be special ordered.

Sold in boxes of 50 discs or cases of 200. Lower pricing is available for cases of 200.

PSA DISCS

All of our aluminum oxide PSA adhesive back discs are packed 100 per box except 40 grit is 50 per box. They are individual discs with a parting sheet.

Your webmaster is a woodworker, and has used these discs on a number of projects. They are great. The lubricated aluminum oxide does not load and lasts longer than other discs.
